## Book Review | Communism: A History by Richard Pipes

Communism, though distinctive, is thought by some to have been heavily influenced by Czarism, a Totalitarian regime replaced by Communism after Russia's 1917 Revolution. While most of Europe's history has been symbolized by the rule of limited centers of power, Russia resisted Europe's movement to limit monarchical power.

## Communism: A History (Modern Library Chronicles): Richard

"The history of all hitherto existing society is the history of class struggles," they proclaimed in the Manifesto of the Communist Party. A scientific understanding of history shows that these struggles will culminate in the triumph of the working class and the establishment of socialism.

## Communism: A History (Modern Library Chronicles - amazon.com

Communism was an amazing development in world history. A system of ideas took control of intellectuals and revolutionaries across the world, but in unindustrialized nations communism was able to achieve power and wrecked horrible suffering on those unlucky enough to be born within its grasp. Richard Pipes does an excellent service by providing the reader with a concise history of Communism.
