Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.

Easy Field Guide Series - American Traveler Press

The guide has a minimum of information on petroglyphs, and I'm not sure that there is much here that will really be useful in the field. It contains more of an overview of what petroglyphs are, and a VERY sketchy view of different categories (different cultures, different methods of making petroglyphs, etc.).
